

Adding Wordpress Integration "App Password" into AIMasher

This guide provides step-by-step instructions on how to add Wordpress integration app password into AIMasher. By following these steps, users will be able to seamlessly integrate Wordpress with AIMasher, allowing for efficient management of their website and blog.

1 Navigate to <https://members.aimasher.com/Account/Dashboard.aspx>

2 Click "Integrations"
Click "Wordpress"

The screenshot shows the AIMasher dashboard interface. On the left is a pink sidebar with navigation options: Article Publisher, Content Engine, Blog Amplifier, Media Mixer, Integrations (highlighted with a yellow circle), FAQ, Support, and Admin. The main content area has a red header bar for 'Articles in My Articles' with a count of 2319. Below this is a purple 'Integrations' section containing a table of connected services. At the bottom is a yellow 'Data' section.
