# How to Add Google YouTube Search API to AIMasher

This guide provides step-by-step instructions on how to add the Google YouTube Search API to AIMasher. By following these steps, users can integrate YouTube search functionality into their AIMasher account, allowing them to search for and add videos to their media packs. This guide is essential for anyone looking to enhance their AIMasher experience with YouTube videos.

3 Click "Add" Click this text field. Type "Google Test 2" Click "Update"
