

Integrate a MasherSite into AIMasher

This guide provides step-by-step instructions on how to integrate MasherSites into AIMasher. Following these instructions, users can easily connect the two platforms and enhance their website creation and management capabilities.

1 Navigate to <https://members.aimasher.com/Account/Dashboard.aspx>

2 Click "Integrations"

The screenshot shows the AIMasher dashboard interface. On the left is a pink sidebar with various menu items. The 'Integrations' item, represented by a gear icon, is highlighted with a yellow circle. The main content area has a red header 'Articles in My Articles 2018' and a purple section titled 'Integrations' containing a list of connected services and their account counts. Below this is a yellow section titled 'Data'.

OpenAI	4 Accounts
Pixabay	1 Account
Google Custom Search	1 Account
Google YouTube Search	1 Account
Masher Sites	19 Accounts
Wordpress	37 Accounts
ElevenLabs API	Successfully Integrated
ScrapeOwl API	Successfully Integrated

3 Click "Masher Sites"

The screenshot shows the 'Integrations' menu on the left with 'Masher Sites' highlighted. On the right, a list of services and their account counts is displayed:

Pixabay	1 Account
Google Custom Search	1 Account
Google YouTube Search	1 Account
Masher Sites	19 Accounts
Wordpress	37 Accounts

The screenshot shows the settings page for 'AsktheGuide'. On the left is a pink sidebar with navigation items: Article Re-Inventor, Article Publisher, Content Engine, Blog Amplifier, Media Mixer, Integrations, FAQ, and Support. The main content area has the following fields:

- Description: AsktheGuide
- Change Width:
- Masher Site Url: https://asktheguide.com/
- API Token: ub4tyq9la5ttyop2rjx16maz

At the bottom of the form are two buttons: 'Update' (highlighted with a yellow circle) and 'Cancel'. Below the form is a red banner with the text 'WANT YOUR QUESTIONS ANSWERED LIVE ON A ZOOM CALL?' and a photo of a man. At the bottom right, there is an 'AiMasher' logo, a 'Roadmap' link, and a star icon.

18 Click "Get Logo"

The screenshot shows the settings page after a successful update. The sidebar is the same as in the previous screenshot. The main content area has the following fields:

- API Token: ub4tyq9la5ttyop2rjx16maz

Below the API token field are two buttons: 'Update' and 'Finish'. To the right of the 'Finish' button is the text 'Updated successfully.' Below this is the 'Site Type' field, which is set to 'News Board'. Below the 'Site Type' field is a 'Get Logo' button (highlighted with a yellow circle). Below that is a 'Get Category' button. At the bottom, there is a 'Categories' section with a table:

Id	Category ID

19 Click "Get Category"

The screenshot shows a dashboard with a pink sidebar on the left containing menu items: Blog Amplifier, Media Mixer, Integrations, FAQ, Support, and Admin. The main content area has a top bar with 'Update' and 'Finish' buttons, and a message 'Updated successfully.'. Below this, the 'Site Type' is set to 'News Board'. A 'Get Logo' button is visible, followed by the 'AskTheGuide' logo. The 'Get Category' button is highlighted with a yellow circle. Below it, the 'Categories:' section contains a table with the following data:

Id	Category ID	Category Description
No data to display		

Below the table, there is a pagination message: 'No data to paginate' with left and right arrow icons. At the bottom of the main content area, there is a 'Get Author' button.

20 Click "Get Author"

The screenshot shows the same dashboard as in step 19. The 'Get Author' button is highlighted with a yellow circle. Below it, the 'Authors:' section contains a table with the following data:

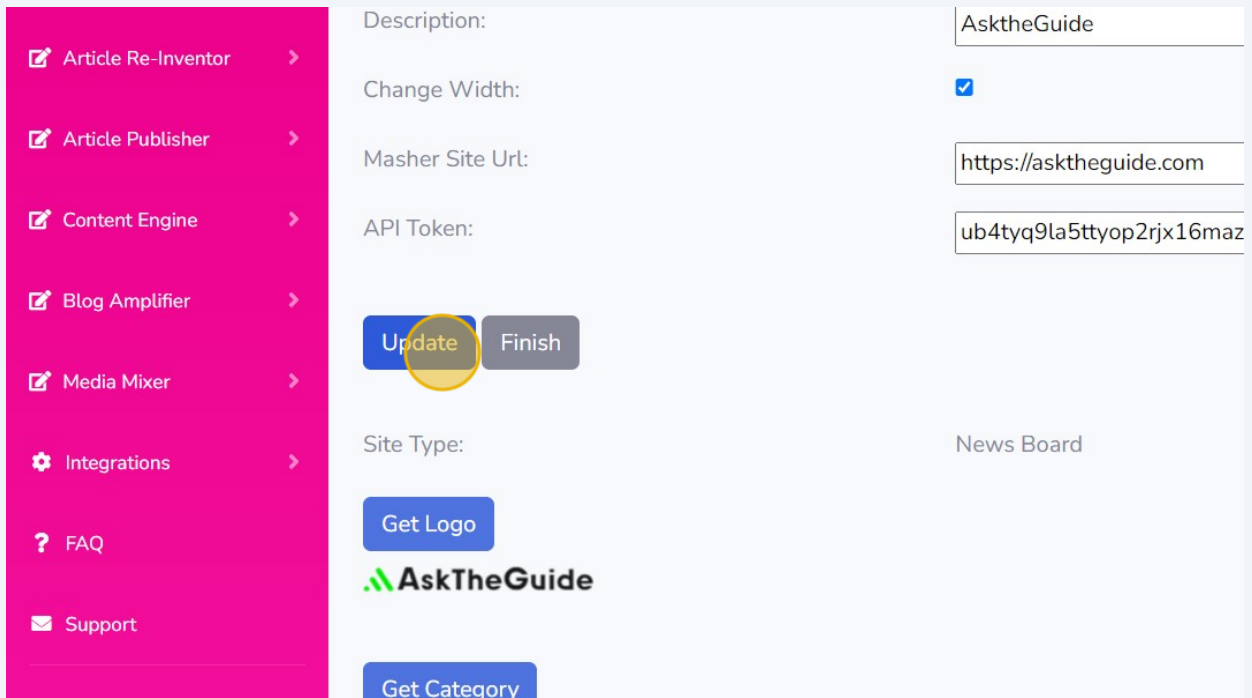

251	5	Parenting
247	1	Relationships
252	6	Retirement
249	3	Work

Below the table, there is a pagination message: 'Page 1 of 1 (6 items)' with left and right arrow icons. Below this, there is another table with the following data:

Id	Author ID	Author Name
No data to display		

Below this table, there is a pagination message: 'No data to paginate' with left and right arrow icons. At the bottom of the main content area, there is a red banner with the text 'WANT YOUR QUESTIONS' and a small image of a person's head.

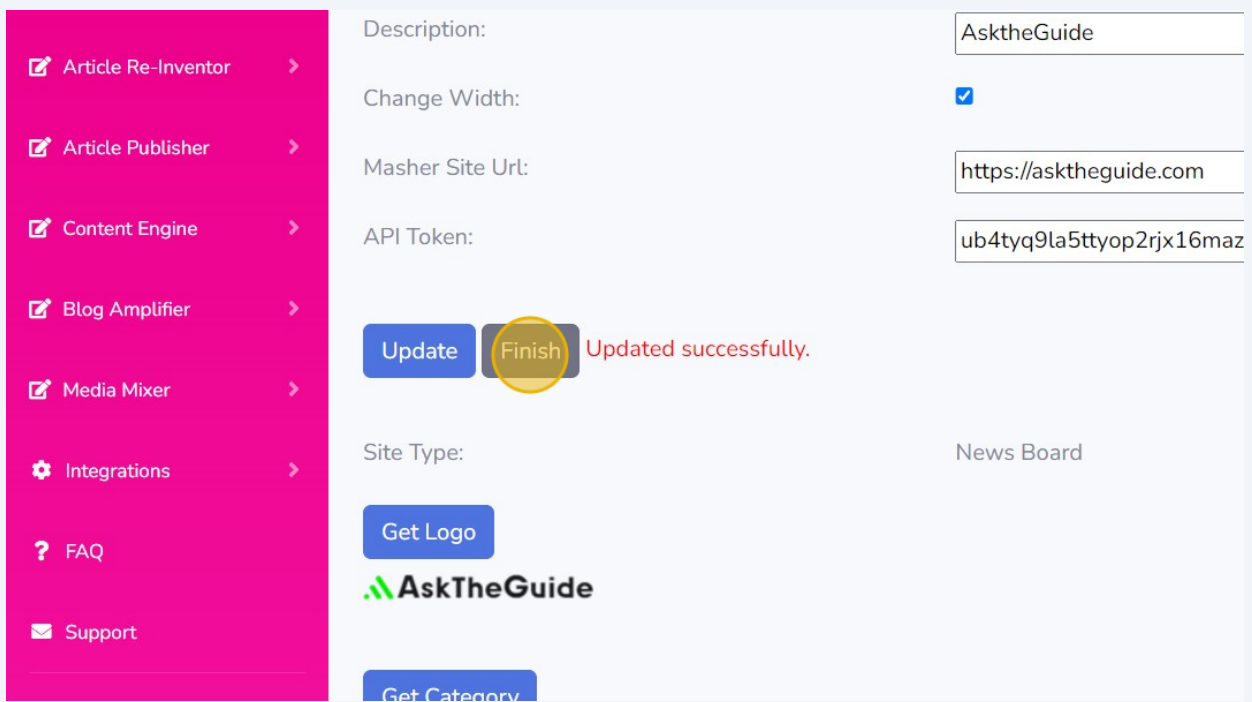

21 Click "Update"

The screenshot shows a configuration page for 'AskTheGuide'. On the left is a pink sidebar with navigation items: Article Re-Inventor, Article Publisher, Content Engine, Blog Amplifier, Media Mixer, Integrations, FAQ, and Support. The main content area has the following fields and controls:

- Description: AsktheGuide
- Change Width:
- Masher Site Url: <https://asktheguide.com>
